WHEREAS, on March 18, 2020, Crosby County, Texas declared a state of disaster; and

WHEREAS, in light of recommendations from the Centers for Disease Control regarding social distancing protocols, it is necessary to issue guidance regarding public and private gatherings in order to mitigate the spread of the disease and preserve and protect public health.

NOW, THEREFORE, BE IT PROCLAIMED BY THE JUDGE OF CROSBY COUNTY, TEXAS that COVID-19 poses an imminent threat of disaster to the COUNTY OF CROSBY, and therefore:

1) Pursuant to §418.108(a) of the Government Code, a local state of disaster is hereby declared for the COUNTY OF CROSBY, Texas; and

2) Pursuant to §418.108(b) of the Government Code, the state of disaster shall continue for a period of not more than seven days from the date of this declaration unless continued or renewed by the COMMISSIONERS COURT OF CROSBY COUNTY; and

3) Pursuant to §418.108(c) of the Government Code, this declaration shall be given prompt and general publicity and shall be filed promptly with the County Clerk; and

4) Pursuant to §418.108(d) of the Government Code, this declaration of a local state of disaster activates the county's emergency management plan. The furnishing of aid and assistance under the declaration is hereby authorized. The appropriate preparedness and response aspects of the plan are activated and take effect immediately after this local state of disaster is declared; and

5) The use of all available resources of the COUNTY OF CROSBY that are reasonably necessary to cope with this disaster are hereby authorized; and

6) To the extent permitted by law, any local ordinance or administrative rule prescribing the procedures for conduct of County/City business or any local ordinance or administrative rule that would in any way prevent, hinder, or delay necessary action in coping with this disaster, including any local ordinance or administrative rule regarding contracting or procurement which would impede the County's emergency response necessary to cope with this declared disaster, are hereby suspended, but only for the duration of this declared local disaster and only for that limited purpose; and

7) Pursuant to §418.108(g) of the Government Code, the Judge of Crosby County may control ingress to and egress from a disaster area within the incorporated or unincorporated limits of Crosby County and control the movement of persons and the occupancy of premises in that area; and

8) Pursuant to §122.006 of the Health & Safety Code, the County of Crosby may adopt rules to protect the health of persons in the municipality, including quarantine rules to protect the residents against communicable disease; and

9) The virus that causes COVID-19 is easily transmitted, especially in group settings, and it is essential that the spread of the virus be slowed to protect the ability of public and private health care providers to handle an influx of patients and safeguard public health and safety; and

10) Because of the risk of the rapid spread of the virus, and the need to protect the most vulnerable members of the community, this Declaration prohibits all indoor and outdoor public and private gatherings of 50 persons or more, anywhere in the Crosby County, beginning at 5:00 P.M. on March 18, 2020 ; and

11) For all other gatherings, it is strongly recommended that citizens adhere to the Social Distancing Protocols established by the United States Centers for Disease Control and Prevention (CDC); and

12) Further, organizations that serve high-risk populations (defined below) should follow the Social Distancing Protocols; and

13) Definitions and further guidance:

a. For purposes of this Declaration, a "Mass Gathering" is any event or convening, subject to the exceptions and clarifications set forth below, that brings together, or is likely to bring together, fifty (50) or more persons at the same time in a single room or other single confined or enclosed space, such as, and without limitation, any auditorium, theatre, stadium (indoor or outdoor), arena or event center, meeting hall, conference center, cafeteria, or any other confined indoor or outdoor space.

b. A "Mass Gathering" includes events in confined outdoor spaces, which means an outdoor space that (i) is enclosed by a fence, physical barrier, or other structure and (ii) where people are present and they are typically within arm's length of one another for extended periods.

c. A "Mass Gathering" does not include the following:

- (i) public or private schools;

- (x) jails and detention centers.

In all such settings, it is recommended that the public voluntarily follow Social Distancing Protocols and harm reduction measures such as providing hand sanitizer and tissues, when possible. However, any large gathering space that is part of any building included in this subparagraph is subject to the prohibition on Mass Gatherings if the space holds 50 or more people.

d. This Declaration also does not prohibit gatherings of people in multiple, separate enclosed spaces in a single building, such as a multiplex movie theater, so long as 50 or more people are not present in any single space at the same time. This Declaration also does not prohibit use of enclosed spaces where 50 or more people may be present at different times during the day, so long as 50 or more people are not present in the space at the same time. For any gathering covered by this subsection, compliance with Social Distancing Protocols, including providing hand sanitizer and tissues and increasing cleaning of commonly touched surfaces, is strongly encouraged.
